RE: The X Edition of the Florence Biennale 2015 "Art and the Polis" – Invitation
Artist: Moein Sheikhshoai
Country: Iran

To whom it may concern:

After a careful review the Florence Biennale's International Selection Committee has expressed favorable opinion of the artistic work and selected for participation artist, **Moein Sheikhshoai** the **X Edition of the Florence Biennale**, that will take place in the historical Fortezza da Basso in Florence, Italy from October 17 – 25, 2015. We are honored to extend an invitation to participate in this prestigious exhibition on behalf of our International Selection Committee and Organization team.

Florence Biennale, was founded in 1997 by Pasquale and Piero Celona and created within the spaces of the Fortezza da Basso, in Florence, which is one of the few international art events structured as a self-financed independent-platform for contemporary art, where artists from all over the planet gather in Florence to live a liberatingly aggregating, joyfully authentic and intensely unique experience.

Arte Studio provides the sponsor benefits of printing logo in the exhibition publication and website of the Florence Biennale that both have a wide and extensive international audience.

Certain of your presence we send you our best regards,

P. Celona
